Highlights

Comfortable juicing
Comfortable juicing with limited vibrations

Compact design

The juicer takes limited space on the kitchen counter and is easy to store.

Guiding tray

Juicing cherry tomatoes, grapes or strawberries becomes easy. Place the fruits on the tray and direct then with the pusher directly into the tube.

Great quality juice

The slow juicing process will limit the creation of foam. This will lead to a great quality of juice and mouth feel.

Easy operation

One single button for easy operation

Quiet operation
Quiet operating low speed motor
